

1966 Mount

mount st. mary's college
12001 chalon road
los angeles, california

*A prelude sounds
and sets a tone...*

Archives
MSMC

*bursting
out of the dark
earth-base,*

the chapel hears the announcement of a hymn-praise to God

freshmen becoming, community-mindedness are goals of torch, led by toni propotnik

*one circle spirals
toward the sun.*

music students manipulate sound to convey an interpreted ex

*The
light defines...*

experience

the sculpture class explores and touches the shape of ideas

an
up-swirling path
Through the
ring-tangle,
and describes
The
fixed middle pole's
thrust to
infinity.

Interlude
begins our journey
to the
fire-heart...

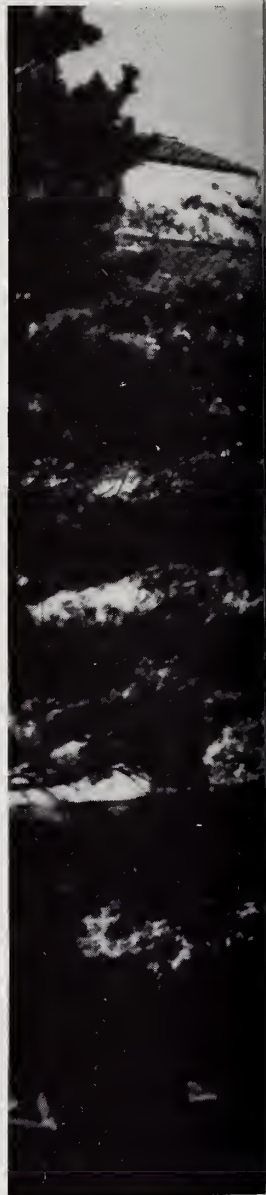

*sister alice marie, academic dean, sister mary rebecca, college president, and
sister rose cecilia, dean of women, structure college policy and government with
betsy dickerson, student body president and officers*

brady hall was the foundation of a forty-year growth

*like a
tower
that
slices space and*

grows in time.

*...symbolized in the new
humanities building*

*sister rose gertrude
assists her students in
clarifying insights into
mathematical methods*

dr. bennett encourages her speech students to investigate the meaning and role of communication

*We
penetrate inward,*

*the seniors' honors colloquium, under the guidance of chaplain father o'reilly,
considers the problem of how man uses his leisure-time*

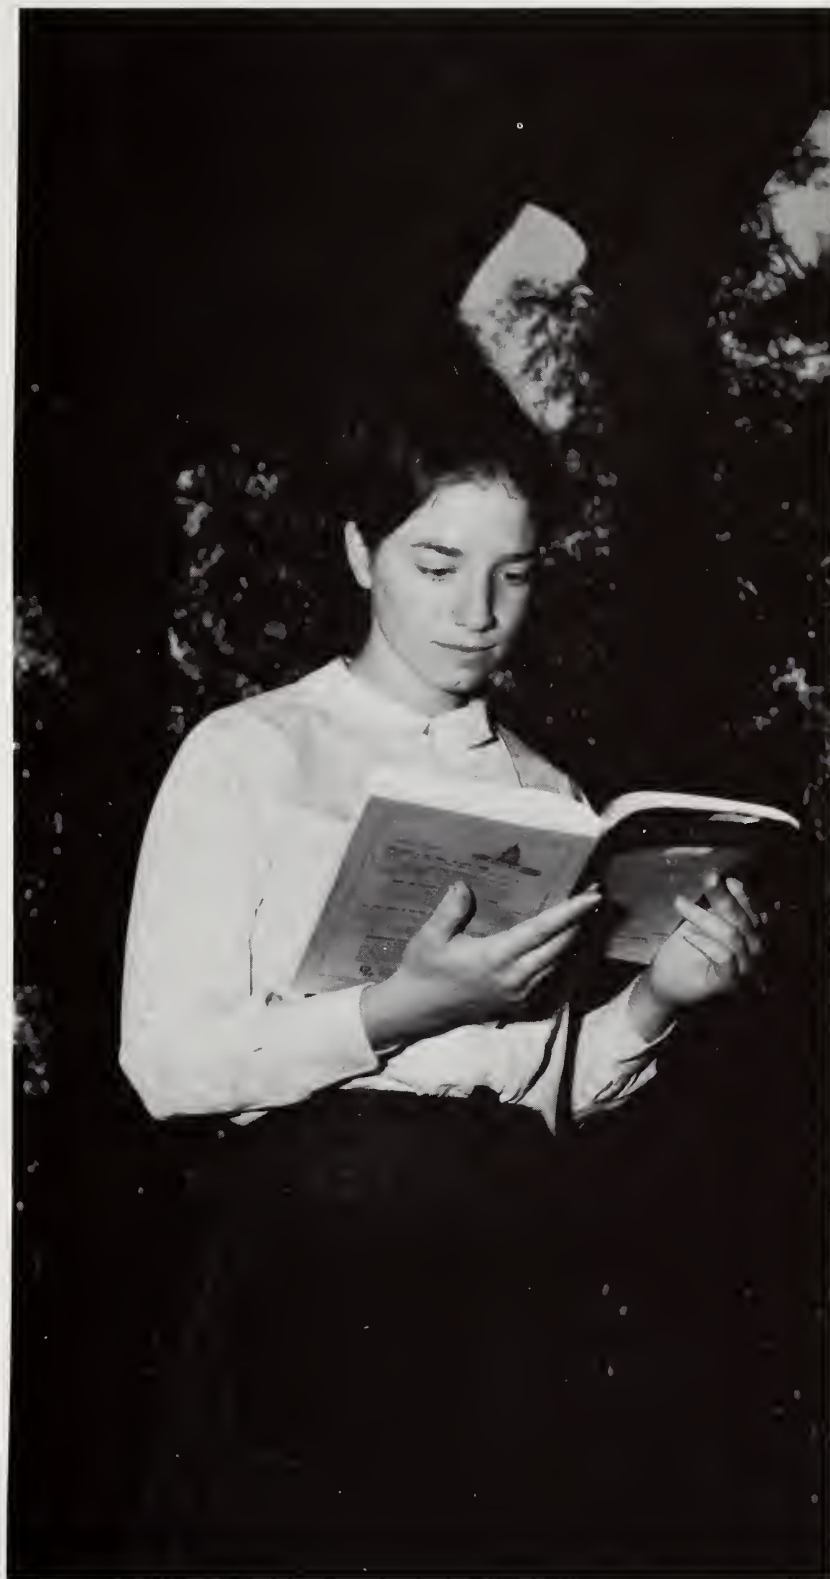

the city lights the joy of a night

*mastering
height
and depth,*

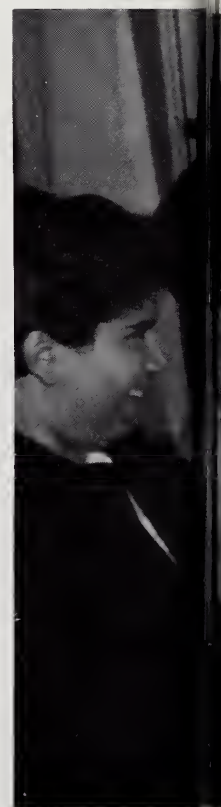

books direct the focus of a mind

while we reach...

mount women extend their assistance as tutors to two pupils of roosevelt elementary school

*a discussion, activated by dr. hoffman, criticizes
some of the leading theories in social thought*

senior nursing majors respond to professional duties

An abstract pencil sketch on the left side of the page, featuring several thick, curved, overlapping lines that suggest a spiral or a series of arcs. The lines are drawn with varying pressure, creating a sense of movement and depth.

for the warmth
of the
spiral
